Glenn Branca -- The Spectacular Commodity (New York; 99 Records "The Ascension" LP)

Notes -- Big thank you to Mike and Blur zine for supplying a 45-minute interview with four-fifths of Minor Threat. Look for the interview in the next issue of Blur, out by the end of the month or so...Minor Threat's KC show was great as long as it's lasted. Only ten songs though because someone stole some war momentos from a display case at the VFW, where the show was being held.
